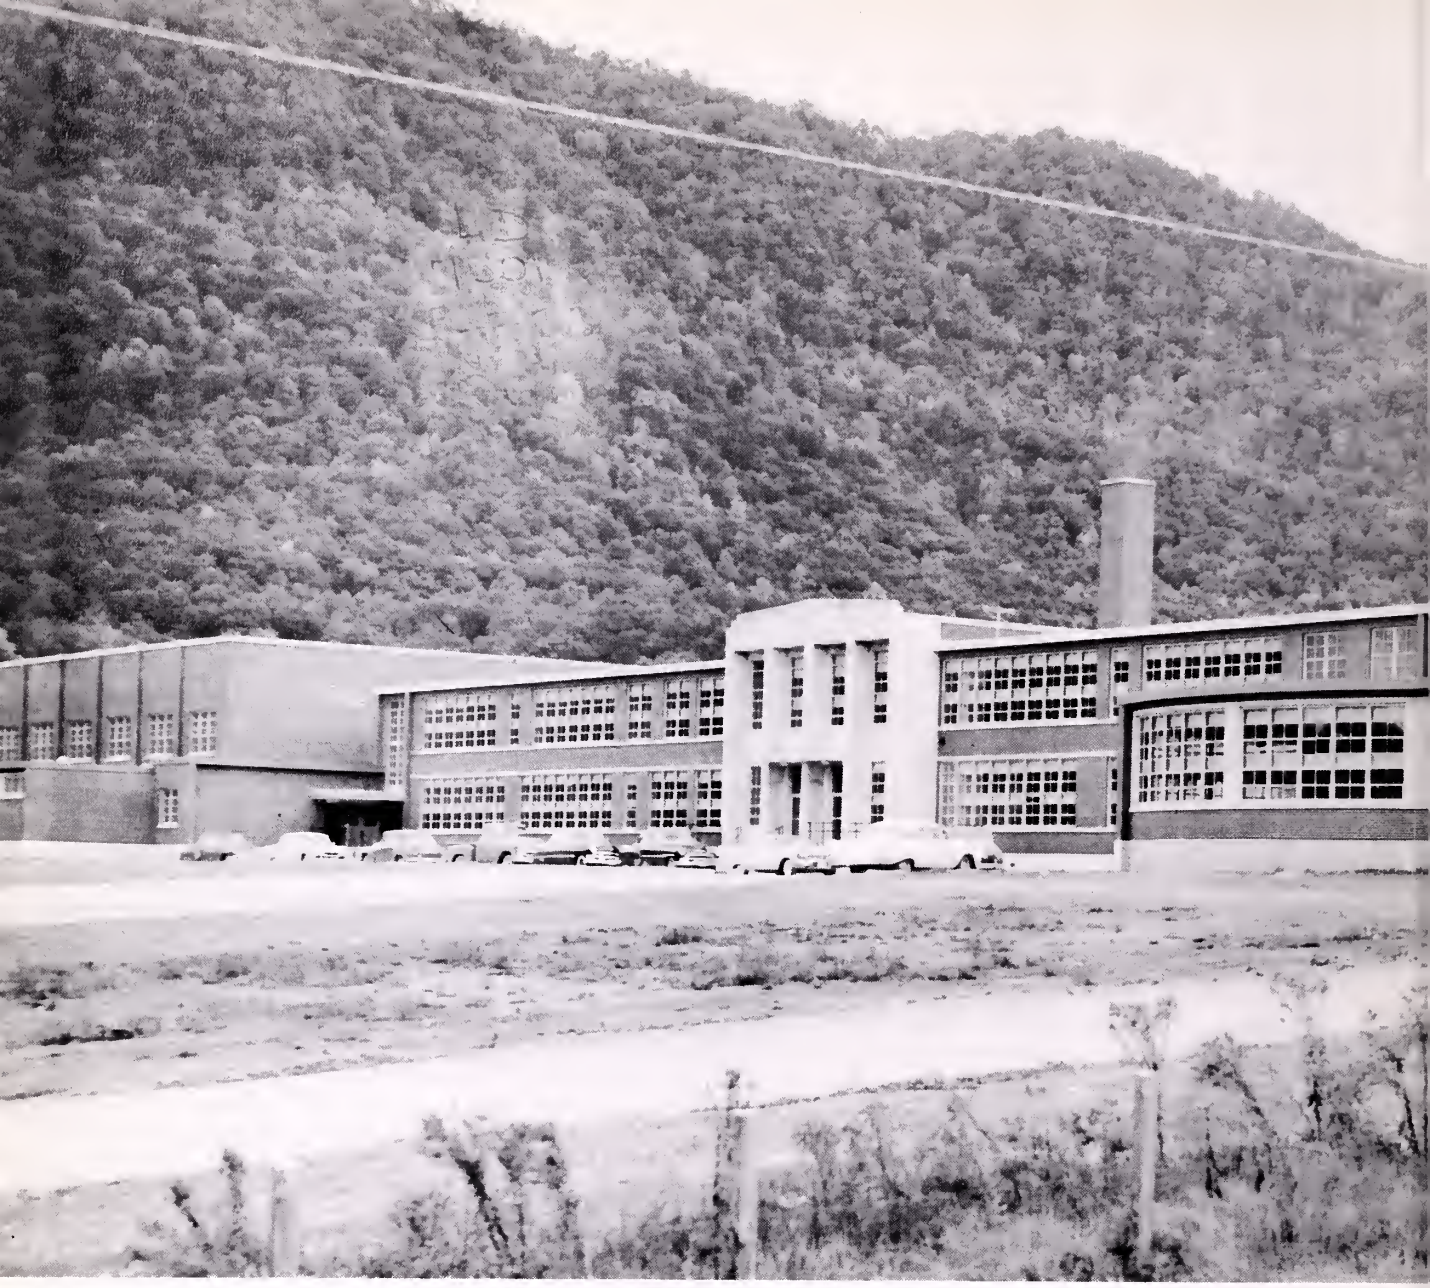
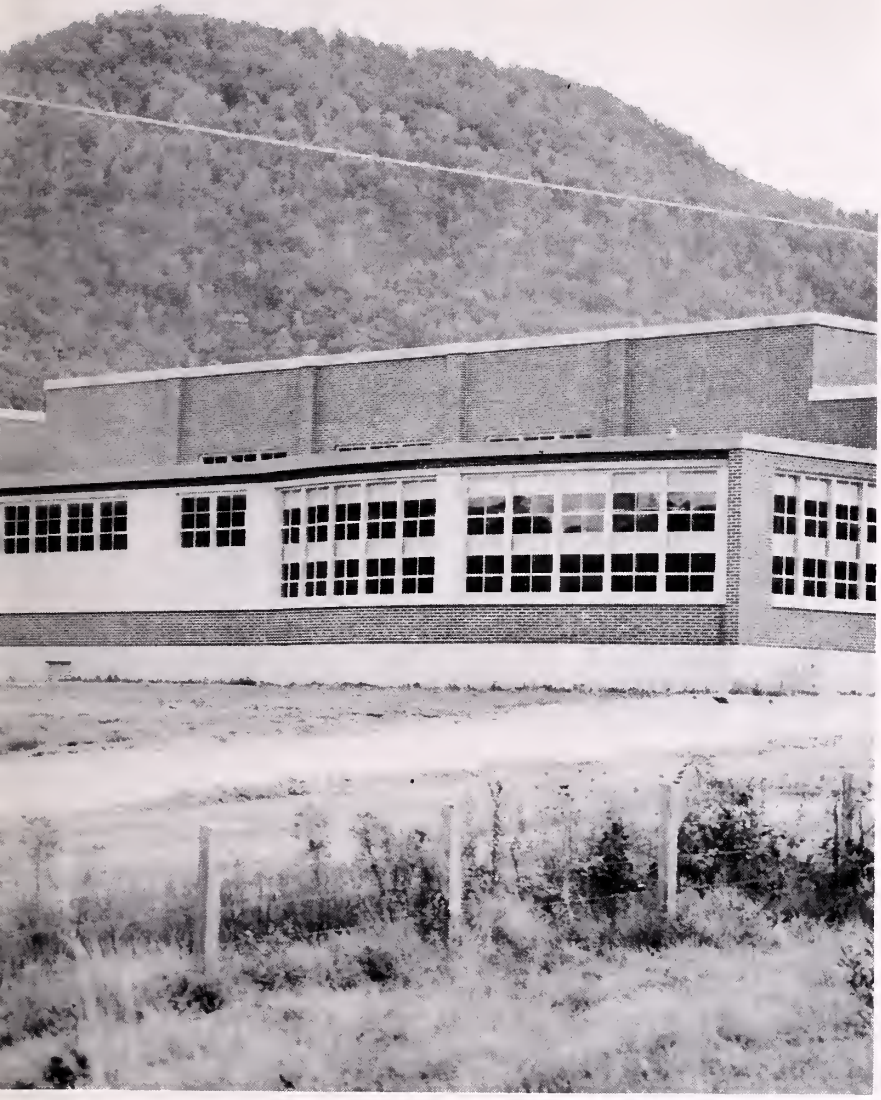
## FOREWORD

Powell Valley High School is a living personality, with aims, ambitions, and traditions that we are fashioning. Our building has mellowed and has acquired a "lived-in" look. A picture added here and a book there, each blending to make the physical plant this personality. Progress is difficult to pinpoint; we can't always see where we are going, what we are doing, or even where we have been. Yet, viewed in close perspective, we see that through cooperation, hard work, and much planning the varied halting steps we have taken in the past two years have made a definite thrust forward.

In this, the Second Edition of the VALHALLA, we record life at Powell Valley, life as we lived it through this school year—1960-1961.



Powell Valley



High School

## Alma Mater

To Vikings bold we give our love,
Our dreams, our tributes true.
Through life's full course
our hearts will move
To bring you honor too.
So hail to thee, O noble school;
Stand firm and strong and right;
And may we ever look to thee
For strength, love, and purity.

## DEDICATION

To educate each one to his maximum is the essence of the American dream. This dream takes as many forms as there are communities. Behind each student at Powell Valley High School are parents with hopes, dreams, and aspirations for these young men and young women, who believe in this American dream of improving one's mind. In our beautiful building here at Powell Valley we see evidence of interested patrons—mothers, fathers, sisters, brothers, and businessmen, who have given us concrete proof that they consider our welfare to be of primary importance. Some of these patrons sacrifice many pleasures of life to give these opportunities to us. Sometimes we students take too lightly these great gifts which cost us very little but will, if properly used, pay vast dividends. It is to these devoted parents and patrons that we dedicate this, the Second Edition of the VALHALLA.

DR. J. J. KELLY

# ADMINISTRATION

**DR. J. J. KELLY, JR.,** our able Division Superintendent, has served the Wise County school system diligently and well for the past forty-three years and is recognized as the dean of superintendents by educational leaders in the State.

MARINE BAND PERFORMS IN POWELL VALLEY HIGH GYMNASIUM

COLLEGE NIGHT.

We boarded our buses and proudly began another year at Powell Valley High. . . . hot days. . . . smothering. . . . and noisy as a result of road construction crew which plowed, moved, plowed, and moved. . . . United States Marine Band visited us to bring color, pagentry, and beautiful music. . . . A new season opened on the football field causing sore muscles, tired boys, and anxious coaches . . . . September changed to October with a flurry of color and autumn smells. . . . College Night at Norton made us feel as though we were really SENIORS. . . . and, oh the confusion that we faced about our life after graduation! . . . . Another band trophy came to join our collection. . . . and Halloween came and went quietly. . . . Football ended with the stiff rivalry between Appalachia and Powell Valley causing a bit of "egg"citement. . . . November caused seniors to ask, "Are our class rings here"? . . . . Senior sponsors almost lost patience. . . . when suddenly. . . . they appeared, just in time for Thanksgiving holidays . . . our first vacation . . . Christmas was on its way with "Jingle Bells" and "White Christmas" echoing through the halls . . . CEEB's were given at Clinch Valley College for the brave . . . and reports were returned for a New Year's present . . . "Elmer and the Lovebug" was presented by the Speech Club . . . and Navidad Programma, the annual Spanish Club Christmas program . . . New Year brought resolutions, plans, and problems . . . Examinations brought vows to study harder the next semester . . . Basketball games lost by fractions of points . . . Snow, Snow, and more SNOW made us know that winter was definitely here . . . College applications were put in the mail and we settled down for the long wait to see whether we would be accepted . . . New sweaters and trinkets . . . as Christmas gifts with an occasional

## SENIOR CLASS HISTORY

Four yeors ago, we begon whot seemed to be a long odventure through high school but now, os we remenisce, it seems os if only yesterday we were excited eighth groders, reody to toke any drostic meosures to conquer the fierce world before us.

We were even more resolved os Freshmen to develop our obilities and talents in order to reach thot great realm of the future.

Our sophomore yeor brought about plons for the future, whot courses to toke, whether we should go to college, ond what vocotion we should choose. Those decisions hove been the bosis of whot school reolly means to us.

As juniors we hod mony highlights. One was the choosing of our closs rings which symbolized our approoching seniorhood. Our mogozine soles were a lot of fun and we were proud to hove exceeded the soles of the previous yeor. Still lingering in our ears are the beoutiful phroses of "Moonlight and Roses," the theme for our prom. This will probobly be our most cherished year of all. We musn't forget our five representotives to Boy's ond Girl's State. Their experiences gained there will alwoys be treasured.

As the bell rong on August 25, 1960, we begon our oncoming yeor as seniors. We will always remember the anticipation and plonning for the "Woshington plus New York" tour and we can never forget how wonderful our trip wos.

We con still remember the loughter when Gramo Binion soys, "I'm not thinking, I'm praying," and Ovo's remork, "Right dry," in the senior closs production of Jesse Stuort's "The Threod Thot Runs So True."

Our Glee Club again filled us with joy and humbleness as we listened to their orrangements of the Christmas carols.

Another wonderful sound to our eors was the stately strains of "Pomp ond Circumstance." Joy ond excitement filled our hearts as we heord our names colled and went forword to receive our diploma. It felt good to hold this precious certificote in our honds. We think for a moment of all we are leaving behind, but better yet, oll thot lies oheod.

We hove had mony facilities ond opportunities offered to us through the efforts of our teachers ond porents. By using these aids, we ocquired a new key each year thot will help to unlock the doors of future success ond hoppiness. Hoving been able to overcome mony obstocles, we ore reody to meet the future.

As we leave these hollowed holls, our proyer is to bring peace and joy to the world. We look to the future with pride, hope, determinotion, in thot through our efforts we may moke this world o better ploce in which to live. We keep olive this principle, whotever we try to do in life—in building o coreer, o set of personal morals, o fomily life, or any task we strive to do—is doomed to foil unless we are in portnership with God in the doing of it. He must be ot the center; He must be the builder. Herein lies the answer to o better world.

The Juniar year is ane af the mast exciting years af high schaal—new friends, new plans, ald friends, ald rautines and then new prablems. We have reached a very important milestane af aur educatianal and sacial life. We have naw acquired the habit patterns and faundation far future ways af life.

Many activities make up this wonderful year in aur lives. Each Juniar, having turned an his charm, cauld be faund knacking an daors helping to pramate the magazine sale. This role finances the next editian af the Valhalla and aur Pram. Our Pram was a wanderful highlight af this year and we are left with pleasant memaries from it.

Anather exciting event taak place the day Mr. Seale measured us far aur class rings. Our thoughts then wandered ta the accurrences that wauld take place when we became seniars.

Our class was represented by members in the variaus clubs af Powell Valley which imprinted unfargettable experiences upan the screen af aur minds.

This year has been but one step ta aur maturity. Many people had a part in helping us make the hurdle, but we aurselves remain responsible far the final result.

We as Saphamares are now in full swing with the rautines af high schoal. Many prablems confronted us but we learned ta tackle each with spirit. We now realized that in growing up, there were many hurdles ta jump, many tharns and thistles along our paths ta discourage us and cause us ta be dawnhearted. We began to take an more adult problems and to share more responsibility in everyday tasks.

The present class af 169 students began in the first grade in 1950, with eighty-two entering Big Stone Gap and East Stone Gap Elementary Schools.

Somewhere alang the way we lost many students and gained many students. It is a transitian year far us in which we are beginning to mature and find aurselves through the guidance af aur teachers.

We ninth groders hod looked forward to this year with anticipation, but olso with slight reservotion of fear at the thought of the harder subjects we'd be taking ond the greoter responsibility we'd have to assume. We now felt o reol part of high school because we begon joining clubs, porticipoting in more school activities, and teasing the eighth graders, but at the some time we realized just what they were experiencing. Looking back, we con see how this year has been a period of reolization, mistakes, new friends, ond wonderful experiences. The ninth grode, like the beginning of a beoutiful day, has been the beginning of o fruitful phose of our lives, during which each of us set his gool ond made a serious attempt to accomplish it. We sincerely thonk our patient sponsors for their help and encouragement just when it was needed most.

Few eighth grade classes have had the good fortune that we of the Powell Valley class of 1960-1961 term have had: the opportunity to start our high school career in a new, modern, well equipped school, properly named and well located, to accomodate the entire upper valley. With this new, modern school, staffed by a well qualified faculty, the doors of opportunity are opened to us if we will only apply ourselves.

We, the eighth grade class, wish to express our appreciation to the School Board of Wise County, our teachers, and citizens of East Stone Gap and Big Stone Gap for the work they have done in assuring us the benefits of a good education.

With the consolidated Powell Valley High School starting its first full year in our new building, everything was in full swing from the beginning.

The band, although hit hard by graduation, had their high reputation to maintain. From the first faint beat of the drums in Bullitt Park, our hearts were set toward that goal.

Many miles were traveled to our brisk cadence or to our brilliant marches. None of the late hours spent on the drill field were in vain, as can be seen by the gleaming trophy which was won by the band at the Tenth Annual Band Festival held in Bristol. The band members would say that this trophy was won under slightly adverse weather conditions.

After football season, many members participated in the two All-County Bands at Norton and Appalachia.

After many long hours of practice on the stage, where music is really learned and appreciated, we participated in the annual Regional Band Festival in March.

Later we presented our annual Spring Concert, playing music of all kinds to fit everyone's taste, while featuring the seniors.

Undoubtedly none of this could have been attempted or achieved without the intelligence, the patience, the unfaltering love of Mr. and Mrs. S. H. McChesney, better known as Mr. and Mrs. "Mac"

Being a member of the Glee Club is one of the most desired and coveted positions in our high school. Many hours of practice constitute the scene before we present a program in song. We all feel a sense of appreciation for our school, and especially for our wonderful facilitated choral room. Under the capable direction and guidance of Mr. Gibbs the 1960-1961 Glee Club enjoyed its most successful season.

The Powell Valley High School Key Club is a part of the Key Club International, a club sponsored by Kiwanis International. Its motives include developing initiative and leadership, providing experience in living and working together, and preparing for useful citizenship. These motives help to develop traits and moral standards which will be used as guideposts in the future by all Key Clubbers.

During this year some of the Key Club activities have included collecting food, toys, and clothing for needy families; delivering baskets which were made up by Kiwanians and Key Clubbers for needy families; helping in the March of Dimes drive; lining off the football field for home football games; directing traffic at home basketball games; having record hops; and our annual car washes.

The club also sponsored our annual Charter Night Banquet. The highlight of our social year was the Kentucky-Tennessee District Convention at Knoxville, Tennessee. At these business meetings Key Clubbers gather to discuss the past year's events and to propose new activities for the following year.

The Key Club, having "We Build" as its motto, has tried to be of service to the school and community in the post yeor. Our sponsor, the Kiwanis Club, has helped us very much. Special attention has been given us by our Kiwanis advisors, Mr. Paul Harry Miller, Mr. Brownie E. Polly, Jr., and Mr. Bill Akers. Their guidonce and supervision have been of greot value to us.

This is the French Club's first year at Powell Valley High School. We have spent most of the year getting our club well organized. We have adopted a constitution and have made laws. We as yet have not participated in many club activities.

Our major project was a French assembly which members of the French wrote and performed under the direction of our teacher and sponsor, Mrs. Donna Raines.

The purposes of our French Club are to serve as a social function for the members of our organization by the presentation of various programs which illustrate the beauty and color of the language and ways of life of the French people, to gain a greater understanding and appreciation of the French language and customs of the French people, and to promote a more intimate relationship between the citizens of France and the United States.

The Spanish Club is composed of all students taking Spanish. The purpose of the Spanish Club is to learn more about Spanish literature and customs, and to encourage a better understanding of the Spanish speaking peoples.

A permanent feature of the Christmas season at Powell Valley High School is the Spanish Club Christmas program, the Navidad Programma. Highlighted features of this program include: the bull fight, the Mexican hat dance, the Christmas caroling, and Poncho and Gonzolas. The second year members of the Spanish Club were awarded pins and the social outing of the year was a picnic.

Members of the Spanish Club consider this year of study a worthwhile investment.

The Roman Club is comprised of those students taking Latin I and Latin II. In the first year of Latin we learn the structure of the Latin language, some ancient history, and some of the myths and folktales from those times. In the second year we learn constructions and translations of more complicated Latin. One of the sections that is most interesting is the **Commentaries of the Gallic Wars**, written by Julius Caesar, the great Roman soldier, orator, and statesman.

Early in the year we elected officers, taking two from the first year group and two from the second year group. Some time after mid-term the second year students, at a party held in the cafeteria, initiated the first year students dressed in the usual hilarious outfits. At the same time the second year students were awarded their J.C.L. pins. The Roman Club is a chapter of the Junior Classical League, a notional organization composed of local classical clubs in high schools throughout the United States and its territories.

In post years the Roman club has been responsible for the Easter Seal sales which support the Crippled Children Foundation. Saturday before Easter found them busy soliciting donations throughout the town.

We would like to thank our sponsors who have helped to make this another successful year for the Roman Club.

At the beginning of the new school year we had aur first speeches—those in which we told something af ourselves, interests, ond ambitions. The main purpose was to help us overcame our number one enemy—stage fright.

At the year progressed, we alsa pragressed but learning wos fun far all of us.

The highlight af the '60's was the presidential election and the Speech Club creoted even greater interest in the election by presenting our awn political compaign. Still, campaign slogans moy be heard ringing through the halls and we feel the some proud emotion af being an American.

Before Christmos we presented our first ane-oct ploy entitled "Elmer and the Lovebug." The praceeds will be used for future necessities.

In the spring we hope to enter the forensic and dramatic contests act play, serious and humorous readings, and a series of debates.

Although speech is ane of the most entertoining courses presented, it is olso one of the most helpful. Facts leorned in speech ore very helpful in everyday life ond this learning is brought obout by our very capoble teocher and sponsor, Mrs. Grace Rose.

The Library Club, a very active club of Powell Valley High School, consists of twenty-one members who excel in their academic studies. The purpose of the library is to encourage wider use of our educational materials.

The club presented a very interesting assembly program during National Book Week called, "The Guilty Ones." We also entertained the faculty, celebrating the one-year birthday of our school. Book marks were designed and distributed to Powell Valley High School students and to those at Big Stone Gap Elementary.

Our sincere thanks and appreciation go to our versatile sponsor, Miss Billie Jean Scott.

American Art Week observed by the Art Club

Everyone likes a picture, and almost everyone likes to create. The Art Club is one vehicle through which students at Powell Valley High School may express themselves. Our first experience as art students was to draw and color birds.

Activities for the year were varied. We presented an assembly on art in education as well as entered several contests. We entered the "Keep Virginia Green" contest and drew Christmas cards which were displayd for the student body to see. We had a Christmas party and a Valentine party. In February we drew scenes and colored pastels. These were sent to Appalachia High School where they were judged by the students and teachers on the basis of their originality and color blending. Wanda Bentley won three First Places with sketches entitled, "Glorious Sunset," "Black Thought," and "Peaceful Valley." Patsy Akens won Second Place with "Twilight Zone." Charles Reed captured Third Place with "Old Shep."

We have studied art appreciation, portrait painting, and sketching with water colors. We have learned much from our year's study of art in techniques as well as in art appreciation.

The D. E. Club hos ended its second year ot Powell Valley by attending the Annuol Convention at Appolachia High School. All our class members porticipated in the contests held ot this convention.

The Distributive Educotion Club is composed of boys who work ot a job during port of their school doy and in their spare time. The purpose of the program is to give on-the-job training for which they receive two credits, one for class work and one for outside work.

The D. E. Club sold mums for our homecoming football game. We also ottended many meetings ond activities held in the various D. E. Clubs of our district.

We could not have accomplished oll these things if it had not been for the guidance of our leader, Mr. William Curry. We feel thot our experiences in this year of training in business on the proctical level will help us in the future.

Vacational Office Training, ar V.O.T. as mast af us knaw it, has as its primary abjective the training af students ta a paint af accupatianal competency. This is a caurse far seniars which affers them a chance ta learn and at the same time get an-the-jab experience.

There are twa units in the V. O. T. caurse, filing and machines. The filing unit is included in the caurse to give the students experience in variaus methads af indexing, filing, and arranging papers by methads used in business offices. The unit an machines gives the student an appartunity ta master such machines as the duplicatar, dictating-transcribing machine, calculators, the baakkeeping machine and the electric typewriter. When we master these two units af study, we should have na difficulty abtaining a pasitian in a business affice taday.

The Girls Athletic Associotion of Powell Volley High School consisted of girls interested in othletics who must maintoin a sotisfactory stondord in their school subjects. The purpose of this orgonizotion is to encouroge and promote physicol fitness ond mental ability.

All of the girls worked toward the goal of 100 points. Membership was a reward for those who reoched the gool. Points ore gained by porticipoting in the sports of hiking, bowling, swimming, skoting, tennis, bodminton, hockey, boseboll, softball ond bosketball. These were only a few of the accredited sports.

During the yeor officers carried on a campaign for the purpose of selling Powell Volley Viking sticker pennants.

Even though this wos a newly orgonized club, it accomplished much in the yeor. Eoch girl abided by the constitution and set on outstanding exomple of how much she hod goined by being o member of the club.

Our hope is that in the future, we may be more beneficiol to our school in thot the girls will be more encouraged to pursue good athletics ond good sportmanship, two of our moin gools this yeor.

On August 15, the Powell Valley Vikings, under the instruction of Mr. Burchell Stallard and Mr. Cecil Maddux, began their second season on the gridiron. Of fourteen lettermen left from the '59 season, only nine returned, but the boys substituted hard work for inexperience, picked up new tricks of the trade and produced a grand Viking team for the '60-'61 season. The boys worked well as a team, and by putting forth 100% team effort in all games, they came through with a sparkling six-to-one record. They certainly deserve recognition for their fine showmanship.

The Viking Junior Vorsity teom, coached by Mr. Morgon Bolling, begon proctice on August 15. About thirty-five boys reported on the first doy of proctice, but by the end of the seoson this number had dropped slightly. These boys were young ond inexperienced, but they were in prime condition ond ready to roll. And roll they did as they came through the seoson with o sparkling 4-0-1 record.

The Varsity Club is an organization made up of all students who have lettered in interscholastic sports or who have served as team managers or cheerleaders. To be a member of the Varsity Club requires the combination of hours of practice and a high scholastic standing. A Varsity Club member should represent a happy combination of brains and brawn.
